

MAKING A DIFFERENCE

Grant applications are accepted each year from Newton and Harvey County non-profit organizations and other qualifying agencies. The Grants Committee reviews the requests and presents members with their final recommendations at the Annual Meeting in October. Members present at that meeting will make the final decisions regarding grant recipients. Awards are presented to the grant recipients in November at an awards ceremony.

“Philanthropy affords us financial benefits, feel-good rewards, and networking opportunities galore. And much like punching a ballot, giving to charity can be a powerful way to influence the world.” - Alisa Ikeda

WOMEN AS PHILANTHROPISTS

The role of volunteer and giver is a traditional one for women, yet few think of women as philanthropists. Women themselves often do not understand their potential as donors capable of shaping the future of society. And, even though women own more than half of the wealth in this country, only in recent years have they begun to recognize the possibilities for impacting their communities through philanthropy.

WOMEN’S COMMUNITY FOUNDATION

The Women’s Community Foundation (WCF) celebrates the opportunities available for women through their charitable contributions. The mission of the WCF is to provide an avenue for women to engage in local philanthropy. Members share a belief that by working with others, instead of alone, they can maximize their efforts within the community. The motto, “together, we can accomplish great things”, reinforces the notion that by pooling funds, women donors can make a significant difference in the project/programs they support within Newton and Harvey County.

WOMEN’S COMMUNITY FOUNDATION ENDOWMENTS

The creation of these funds allow women’s philanthropy in Newton and Harvey County in perpetuity.

Jan Elizabeth Saab Endowment

This fund was created in 2013 to honor Jan Saab, a founding WCF member who passed away February 14, 2012. Jan exemplified the WCF motto, “together, we can accomplish great things”, with her dedication to helping others in Newton and Harvey County. The fund represents the first endowment created in the history of the WCF.

Colleen McCullough Endowment

This fund was created in 2014 by the McCullough family in memory of Colleen McCullough, a dedicated WCF member who passed away on May 3, 2014.
