

## **CENTRAL KANSAS COMMUNITY FOUNDATION**

### *Fund Listing*

#### Agency/Organization

A fund of this type are established by a not-for-profit, charitable organization for exclusive use by and for the benefit of the specified charitable organization. Contributions from contributors other than the organization are not allowed for this fund type. If you wish to donate to a specific organization with an agency fund, contact the local contact for the organization.

#### Donor-Advised Fund

Donor-Advised Funds allow a donor to make recommendations on charitable distributions on an annual basis. In a way, it is their personal giving fund. These funds are generally supported only by related persons to the establishment of the fund.

#### Field of Interest Fund

A Field of Interest Fund enables a donor to specify an area of interest, such as education or the arts. The foundation board of directors' reviews community needs and makes distributions to benefit projects or causes in that specified area.

#### Scholarship Fund

A Scholarship Fund is established to support individual students in their educational endeavors. Donors may help designate the criteria used in selecting recipients of the scholarship funds. Anyone can contribute to established scholarship funds.

#### Unrestricted Fund

By starting an Unrestricted Fund, donors allow the foundation board to be flexible and proactive in meeting the changing needs of the community. Grants are managed through the Foundation through competitive grant cycle and occasional designated granting. Gifts to these funds are encouraged!

#### Administration

Administration or operating funds help CKCF as well as local affiliates provide local support to raising awareness around philanthropy, donor relations, fund management and grant distribution.

#### Designated Fund

A Designated Fund is established for a specific organization, fund, or charitable purpose of a donors' choice. Anyone can make a charitable contribution to a Designated Fund.
