The 2015-16 Charities Wish Book is a call to action. Central Kansas Community Foundation (CKCF) is sponsoring this catalog of needs from our local participating charities serving Newton. While CKCF serves the Central Kansas region, this pilot project is centered on Newton-based charities, as well as those in the immediate surrounding area that service Newton, Kansas. CKCF is dedicated to building stronger communities and this GiveNow campaign is a combination of the Charities Wish Book and Giving Tuesday. Supporting the needs of our local charities through in-kind, tangible donations as well as cash gifts of all sizes makes a difference. Look inside to find a charity need you can fill. Together we can make a difference!

What is Central Kansas Community Foundation?

Central Kansas Community Foundation – Building Stronger Communities through Charitable Giving!

Central Kansas Community Foundation is a not for profit, 501 (c) (3) charitable entity based in Newton, Kansas. CKCF holds a permanent collection of funds designed to link donors with charitable causes. The CKCF promotes and supports charitable giving by assisting individuals, families and organizations in the creation of charitable funds; building resources to provide for unmet community needs; making grants to charitable causes and providing a platform for long-term charitable initiatives that focus on building stronger communities.

Together with donors, the Foundation works to enhance all areas of life including, but not limited to, education, environment, civic and human services, health care and the arts.

The Central Kansas Community Foundation was incorporated in 1995 and has grown in assets to more than \$19 million. The Foundation presently manages more than 350 funds including scholarships, donor advised funds, designated funds, unrestricted funds and organizational endowments.

The Foundation also has 19 affiliate foundations that include three non-community and 16 community Foundations.

The Foundation is proud of making a significant community impact by granting more than \$16 million since its inception.

How does the Foundation work with local charities?

This giving catalog for 2015-16 is a pilot project and is one additional benefit the Foundation offers to local

non-profit organizations. For our pilot, this edition of the giving catalog is focused on Newton serving charities, this includes those participating charities actually located in Newton as well as those that serve persons from Newton. All Newton charities that have funds in the Foundation were invited to participate in this year’s catalog along with others to which CKCF makes grants and yet others in the community that providing meaningful charitable service.

The primary work of the CKCF with local charities is to create funds that will provide ongoing financial support to the charity for years to come. Contributions of any size are welcome additions to these organizations. Please note for each charity the way in which to send your donations. If CKCF is noted for receipt of the contribution, please send your gift to CKCF at 301 N. Main, Suite 200, Newton, KS 67114; otherwise the address to direct your contributions is noted on their page herein - plus we have an online donation option at www.centrankansascf.org.

In addition to our work as the endowment arm for local charities, the Foundation also provides quality educational workshops on topics such as fundraising, grant writing and board development. The Foundation also supports local nonprofits through our grant making. Each year CKCF takes applications in Newton for the Central Kansas Kids FUNd in the spring and the Women’s Community Foundation late summer.

#GivingTuesday inspires personal philanthropy and encourages bigger, better and smarter charitable giving during the holiday season, showing that the world truly gives as good as it gets.

The fourth annual #GivingTuesday will take place on December 1, 2015.

2015 is GiveNow – Newton's First Year!
2016 Date is already set for November 29, 2016!

On Tuesday, December 1, 2015, we are part of a call to action that will change the calendar and help make history. We are celebrating a day dedicated to giving – when charities, families, businesses, community centers, students, retailers and more will all come together for #GivingTuesday – a movement to celebrate giving and encourage more, better and smarter giving during the holiday season that we are proud to be part of.

In 2014, more than 27,000 partners in over 68 countries participated in the movement. Through the power of social media, more than 15.4 Billion people helped spread the word, resulting in milestone trending on Twitter and most importantly, a tremendous increase in donations.

The 2015-16 Charities Wish Book is the first step CKCF took in preparation for Giving Tuesday.

#GI ING TUESDAY™

COMMUNITY *Impact*

The community impact of our organization is that many people are fed and clothed that otherwise would not be because they can't afford to even buy clothes from the thrift stores and don't have adequate funds to buy food. We also have organizations such as Mirror, Inc., that bring in their clients who are in need of clothing and can't get it anywhere else.

Wish LIST

- Monetary donations for operating expenses
- Monetary donations to buy food for our pantry
- Food donations for our pantry, including hygiene products
- A large entity that could support us financially, such as a church, business, etc.
- People interested in serving on our board of directors
- A grant writer
- Individuals or businesses that would do food drives for us year round

COMMUNITY *Impact*

The American Cancer Society is fighting for every life threatened by every cancer, in every community. Through support of the Relay For Life movement, dollars contribute to:

Research-

For more than 65 years, the American Cancer Society has been finding answers that save lives - from changes in lifestyle to new approaches in therapies to improving cancer patients' quality of life. No single nongovernmental, not-for-profit organization in the US has invested more to find the causes and cures of cancer.

Hope Lodge®

Where to stay and how to afford accommodations are immediate concerns for cancer patients who must travel away from home for the best treatment. American Cancer Society Hope Lodge facilities provide a free and comfortable place for patients and their caregivers to stay, so they can focus on getting well.

Road To Recovery®

Cancer patients frequently cite transportation to and from treatment as one of their most critical needs. The American Cancer Society Road To Recovery program matches cancer patients with specially trained volunteer drivers.

Look Good...Feel Better®

This free service teaches women battling cancer beauty techniques to help them improve their appearance and self-image during chemotherapy and radiation treatments. Volunteer beauty professionals demonstrate makeup techniques, nail care, skin care, and options related to hair loss.

Reach To Recovery®

Our Reach To Recovery support program matches specially trained breast cancer survivors with people who have been diagnosed with breast cancer and want to talk to someone who has been there. These dedicated volunteers offer understanding, support, and hope.

Wish LIST

COMMUNITY *Impact*

Among many other significant improvements in the lives of children with a CASA volunteer present in their lives, more than 90% of children with a CASA volunteer will never reenter the child welfare system. This is a significant difference compared to the general foster care population.

MARY'S STORY

Mary is a 14 year old who has been in and out of foster care since she was 6, primarily due to her father's substance abuse issues and unstable life style. Her mother died when she was a baby. A CASA volunteer was appointed for Mary and was a constant person in her life for over a year and a half. The CASA volunteer advocated for Mary to have exposure to educational opportunities beyond high school and for her future.

When Mary's father relinquished his parental rights Mary expressed interest in being adopted by her foster parents whom she had lived with on and off while she was in foster care. The CASA volunteer expressed Mary's wishes to the judge as well as the CASA's observation of the bond between Mary and foster parents. This information assisted the judge and caseworker in making an informed decision. The adoption was finalized before Christmas and Mary was able to celebrate the holiday season with her forever home.

Wish LIST

COMMUNITY *Impact*

In the past 20 years, CKCF has made a \$16M impact with grants and scholarships in our region. Our donors - individuals, families and businesses - have made it possible to grant to projects and programs that feed the hungry, shelter the homeless, provide skills to parents, expose youth to the fine arts and so much more.

Consider Starting a Fund for What Matters to You!

Many donors - individuals, families or businesses – may wish to establish a new endowment with Central Kansas Community Foundation. An endowment is a fund in which the principal is invested in perpetuity and only the income generated is distributed annually. This allows your gift to benefit our community forever. What a legacy!

Below are several options for donors wishing to start a new fund:

- **A Designated Fund** is established for a specific organization, fund, or charitable purpose of your choice.
- **Donor-Advised Funds** allow you to make recommendations on distributions on an annual basis.
- **A Field of Interest Fund** enables you to specify an area of interest, such as education or the arts. The foundation board of trustees reviews community

Central Kansas COMMUNITY FOUNDATION

needs and makes distributions to benefit projects or causes in that specified area.

- **A Scholarship Fund** is established to support individual students in their educational endeavors. As the donor, you may help designate the criteria used in selecting recipients of the scholarship funds.

GIVE NOW

CKCF can accept a wide variety of outright gifts including cash, securities – stocks, bonds and mutual funds, grain, personal property, life insurance and real estate.

GIVE LATER

Including the CKCF in your estate plan is an easy way for you to make a significant impact on community needs and create a legacy that lasts forever. You can use a variety of assets to make a planned gift and accomplish your charitable goals. Bequests. Life Insurance. Retirement Plans.

The Friends of Harvey County ERT Inc. is made up of Emergency Services Personnel who are a part of a Police Tactical Team (SWAT) and their families.

In addition to raising funds to help the SWAT team, we are creating a multi-use training center to better prepare emergency services personnel for critical call-outs. The training center will also be open to the community as a venue for classes focusing on helping families transition out of poverty. The On-Track Training Center will hopefully be opening in the spring of 2017.

The Friends of Harvey County ERT Inc. has acquired a home which they will be renovating with hopes of providing it to a family in need of a permanent residence. The TORCH program (Tactical Officers Reinvesting in Community Housing) is scheduled to begin in mid 2017.

Community service is an integral part of the GSLE. Through community service, girls contribute to the improvement of society through their abilities, leadership skills, and cooperation with others. In 2015, girls in Newton completed community service projects such as collecting reusable bags to distribute in the community to decrease the use of plastic shopping bags and volunteering as bell ringers for Salvation Army during the holidays.

An April 2012 study released by the Girl Scout Research Institute, *Girl Scouting Works: The Alumnae Impact Study*, examined the long-term impact and effect of Girl Scouting by comparing Girl Scout alumnae and non-alumnae on several indicators of success. Results concluded that when compared to non-alumnae, Girl Scout alumnae display significantly more positive life outcomes on several indicators of success, including: sense of self, achievement of life goals, leadership, volunteerism and community work, civic engagement, education, and income/socioeconomic status.

Wish LIST

- GSKH is requesting \$2,500 to replace 50 metal folding chairs in the Newton Little House with stacking chairs. The metal folding chairs are 50 years old and are starting to fall apart. Stacking chairs will take up less space and do less damage to the floors.
- Additionally, GSKH is seeking adult volunteers to assist with Girl Scout programming in the Newton area. As a volunteer, you'll introduce girls to new experiences that show them they're capable of more than they ever imagined. You'll be their cheerleader, guide, and mentor, helping them develop skills and confidence that will last a lifetime. Imagine the smiles, the excitement, the memories made—those are the moments you'll share at Girl Scouts.

COMMUNITY *Impact*

One of the goals of the Harvey County Homeless Shelter, Inc. is to work with people so that they may leave our agency with the tools needed to be active and productive citizens in the community. Our vision is: Following Christ, Building the Community. Through this vision we maintain our integrity as a Christian faith-based organization that unites the local church into one body. This body is then united with our residents and we form a community that supports one another on the path of life. The Harvey County Homeless Shelter, Inc. is a mutual ministry in which board, staff, volunteers, and residents are pulled into community as we grow in our understanding and love of Christ.

COMMUNITY *Impact*

Impact. Improve. Invest. Those are the three words the board uses to describe the work of Harvey County United Way.

Impact A Life - On average, the programs receiving funding from Harvey County United Way provide direct services to approximately 1/3 of the county's population each year. Services range from meeting basic needs to bridging out of poverty.

Improve A Condition - Funded programs must also exhibit short-term, intermediate and long-term outcomes of their work. Requiring outcomes ensures that the investment of donor dollars is not just meeting an immediate need of a single person in a single incidence. It means that the community condition is changed by improving the education, health and income stability of not just that one person, but everyone else.

Invest in the Future - The recently launched Literacy Initiative is a major investment by board of directors in the future of Harvey County. One primary example is the Dolly Parton Imagination Library, which provides every child living in Harvey County a book mailed direct to his/her home every month from birth to the child's fifth birthday. The program has proven results, by dramatically improving Kindergarten readiness rates. Evidence shows Kindergarten readiness has a direct link

to third grade reading proficiency, which has a direct link to high school graduation rates. By providing a book to every child, Harvey County United Way is making an investment today which will be felt two decades later, as those high school graduates enter the workforce, become parents, and contribute to making this a healthier more vital community.

Wish LIST

- Donations - Annual Campaign
- Donations - Literacy Initiative - \$26/year covers the cost of providing a book for one child
- Donations - Endowment (held by CKCF)
- Volunteers - Committee and special events

Health Ministries Clinic offers primary medical, dental and behavioral health services in an integrated setting. We are passionate about ensuring that everyone in our community has access to quality health care. To help eliminate barriers to care we offer all of our services on a sliding fee scale to patients who are at or below 200% of Federal Poverty Level. In addition, this year we also began providing transportation services to address another identified barrier to care. We appreciate the opportunity we have to collaborate with so many wonderful local agencies and partners to increase the quality of life in our community.

Wish LIST

- Donations targeted to help us enhance/expand our laboratory services at both locations.
- Donations targeted to help us acquire radiology services at both locations
- Children's books that can be given away to pediatric patients
- A second van for patient transportation

By creating Heart to Heart, children who had been abused can come to a center that is child friendly, with resources available for the child and the child's non-offending family. Heart to Heart relies on a multidisciplinary response to child abuse which includes law enforcement, child protective services, mental health providers, and school staff. Instead of numerous interviews by various agencies, those agencies joined in a team effort, so the child would be interviewed by only one person. It is the goal of Heart to Heart to provide the necessary services, resources and compassion for children and the families who come to the center reporting abuse.

Each year, Heart to Heart serves 130-160 children in Harvey, Marion, and McPherson Counties. Approximately 2/3 of that number is Harvey County alone. In addition to serving children and their non-offending caregivers, we provide community outreach to provide education about preventing child abuse, mandated reporting, etc.

Wish LIST

- Cash for ongoing training of staff members in best practices for forensic interviewing techniques and victim assistance
- Digital clock for the interview room
- Two sturdy chairs for the interview room
- Alarm system for the front and back doors of the agency
- Color printer for printing brochures, business cards, etc.
- DVDs for recording interviews
- Copy paper
- Easel paper
- Manila folders (3 tab)
- Healthy snacks for families that must come in over the dinner hour
- Gift cards for food/gas for families who drive to our agency from a distance at their own expense
- Volunteers for various fundraising events

DROP-OFF LOCATION | Heart to Heart CAC,
702 N Main, Newton KS

Fast FACTS

Since opening the doors at Heart to Heart in August 2001, over 900 children have come to the Center making reports of abuse. Many of those cases have resulted in arrests, warrants and convictions.

Staff includes a full time executive director, a part time child advocate, and a part time file clerk.

Mission STATEMENT

Dedicated to effectively and efficiently serve child victims of abuse and assist local communities in responding to allegations of child abuse.

Kauffman Museum provides educational programming for people of all ages. Uncle Carl's Camps and school field trip programs introduce children to the history and culture of South-Central Kansas. Collaborative curriculums with Bethel College encourage college students to make critical connections between past traditions and contemporary practices and provide internships and professional development opportunities. Sunday-Afternoon-at-the-Museum events bring speakers and scholars to the museum to explore special exhibit themes and foster opportunities for lifelong learning. Our annual Kansas Day celebration draws hundreds of visitors to the community to commemorate the founding of the state.

The museum organizes educational programs for children, college students, adults and intergenerational audiences and shares museum resources with other communities through professional consultations, research, publication, and traveling exhibitions. Kauffman Museum serves approximately 7,000 visitors annually.

Wish LIST

- **Donations to our fund:** Bring Back the Buses (to provide reimbursement for transportation costs for school field trips which have declined 5 percent in recent years due to budget cuts)

DROP-OFF LOCATION | Checks can be mailed to the museum. Credit card donations can be phoned in or can be processed in the museum store. Cash donations can be accepted at the museum store.

Fast FACTS

The museum: Provides permanent and special exhibitions that interpret human and natural history. Collects artifacts from and stories about Mennonite people to illuminate universal themes of beliefs, identity, adaptation and change.

Mission STATEMENT

The mission of Kauffman Museum is to foster learning experiences rich in artifacts that promote aesthetic appreciation of, critical thinking about and reflection on the people and the natural environment of the central prairies, with emphasis on the story of the Mennonites.

Newton Meals on Wheels has been serving the Newton and North Newton community for over 42 years. We deliver a noon meal 7 days a week, 365 days a year to the homebound 60 years and older who are physically and or mentally unable to prepare a nutritious meal for themselves. Volunteers also check on our clients' welfare daily. In addition, our volunteers use their own vehicle, gas and time.

In 2015 we reached a milestone by serving one million meals. For MOW, one million meals represents an incredible accomplishment achieved by our volunteers, donors, staff and community who helped make it possible.

By providing a well balanced meal our clients stay healthier and help them to avoid premature or unnecessary hospitalization. We serve those who need a helping hand to maintain their dignity and self-image and independence. By making the daily contact we also combat loneliness and isolation.

Meals on Wheels helps those who are unable to prepare a balanced nutritious meal, a warm smile and a safety check that helps keep our seniors healthy, safe, and living independently in their own homes.

Through both the Summer Enrichment Activities for Kids (SEAK) and the Circles of Hope initiatives, Peace Connections is working to reduce and eventually eliminate poverty within our community. SEAK continues to provide stimulating activities, social skills and education to children each summer. Children who report that family vacations and summer camps are a rarity in their family. By utilizing the broad definition of poverty, which includes physical, emotional, mental and spiritual resources, Peace Connections is bridging the gap between economic classes and working to eliminate systemic barriers that perpetuate the poverty cycle. Circles of Hope increases financial literacy while teaching individuals and families how to set and achieve goals within their lives. Circles of Hope connects low-income families with middle and upper-income volunteers, who form intentional friendships and provide encouragement for all parties involved. By providing weekly meetings, dinner and childcare, Circles of Hope not only impacts the family in poverty, but also creates significant change in the way our volunteers view poverty and what our community can do about it.

Wish LIST

- Donations to our agency fund: Peace Connection
- Financial Donations for Circles of Hope and Summer Enrichment Activities for Kids

COMMUNITY *Impact*

Families that use respite care will have time for errands or appointments, time to help other family members, time for self, to relax and renew humor and energy, peace of mind, knowing that trained care provider is giving individual attention to their child. One thing that respite really impacts the family is helping the family stay together. Stress pulls so many families apart that have special need children.

Respite care helps glue the family together. The child with special needs at our Parents Day Out program develops friendships, opportunities to experience new activities, and learns how to socialize with peers and adults. The family and the child both gain more knowledge and confidence about being a part of the community. The sense of begin able to feel belong makes a huge community impact.

Respite care is not a daycare. We are not licensed or financially able to provide subsidized daycare.

Wish LIST

- 3-Nabi tablets
- Autism chewies and mouth toys (many children will chew on hands, shirts, pencils) - a Chew Stixx when used properly provide a safe and bacteria free alternative for children who chew
- A small adaptive trampoline with a railing guard around it
- Scooters for all special needs children to play games
- Balls of all sizes
- Art supplies (any kind)
- Construction paper
- Craft items

DROP-OFF LOCATION | Trinity Heights United Methodist Church - same for all donations

Fast FACTS

Respite care is a temporary rest from the daily challenge of caring for a family member who has special needs, a gift of time. There are two options for service: In-Home (the family's or the care-giver's) or at our Parents Day Out. Families pay part of the cost of care, based on a sliding scale. Our care providers have CPR and First Aid training and have passed background checks. Respite care is not a daycare. We are not licensed or financially able to provide subsidized daycare. Also, Trinity Heights Respite Care is a ministry of Trinity Heights United Methodist Church.

Mission STATEMENT

Trinity Heights Respite Care's mission is to provide respite care to families in Harvey and Marion Counties who have specialneeds children, age birth through 16 years.

COMMUNITY *Impact*

The Wichita Fellowship Club (WFC) has saved and changed several thousand lives since it all started in 1966. We have helped many of the homeless “drunks” get off the streets and become productive members of society. During the process of people getting sober at WFC, they have secured good jobs and have rebuilt relationships with their family.

The former residents from WFC have learned to give back to the community and are very active in helping others in the community including Newton. The Wichita Fellowship Club has been making a strong and positive impact in the local community for almost 50 years.

The 80-acre Jim James Memorial 101 Club provides camping with tent space, swimming pools, horseshoe pits and many other fun things to do while sober. WFC also runs a Bingo game every Sunday afternoon to help support the club. Most of the Bingo players are from Newton.

Leave a Legacy is a public awareness campaign designed to inspire people from all walks of life and income levels to think beyond their lifespan when doing good works.

To make a difference in the lives that follow, find a charity to support through your will or estate. We Americans are a generous people. More than 70 percent of us make charitable contributions during our lifetimes. Yet only six percent will provide ongoing support through wills or estate plans. Leave a Legacy wants to change that.

ENCOURAGING LEGACIES...

Harvey County Leave a Legacy is part of a licensed national program created by the National Council on Planned Giving and sponsored by Central Kansas Planned Giving Roundtable. The program promotes philanthropy through wills and estate plans. The Newton community was the first in Kansas to offer a Leave a Legacy program. 2015 marked its 17th year!

Through our public education program that encourages planned giving, we seek to bring together communities, donors and estate planning professionals. Continuing your financial support through estate planning is critical if your favorite charities are to flourish and grow. For years to come.

EDUCATING...

Our annual September – October public education campaign offers a variety of activities to encourage planned giving and to raise awareness of the various planning strategies available to you.

PAVING THE WAY...

Leave a Legacy is not seeking support for any particular group, or for organizations in a specific area.

We only want you to realize the potential that lies within each of us to make a startling difference in the lives of others. If you want to learn more or wish to volunteer, contact Angie Tatro, angie@centralkansascf.org or 316.283.5474.

ABOUT THE CENTRAL KANSAS KIDS FUND

The Central Kansas Kids FUNd was established in 2005 and aims to support project/programs and organizations that directly benefit the children in Central Kansas. From 2005 through 2013 the Sand Creek Pro Am provided initial support to this fund, making an incredible impact to children's programs.

To date, the fund has awarded more than \$213,200 in grants to local organizations that provide services to children, \$42,265 in 2015 alone.

If you have questions or need further information, please contact Chancy Gerbitz, Program Director, chancy@centralkansascf.org or 316.283.5474.

A CIRCLE OF GIVING – GIVENOW

Consider Becoming a Member Today!

The Women's Community Fund (WCF), a local charitable "giving circle" managed by Central Kansas Community Foundation, was established to provide an avenue for women to engage in local philanthropy. Members share a belief that by working with others, instead of alone, they can maximize their efforts within the community. The motto "together, we can accomplish great things", reinforces the notion that by pooling funds, women donors can make a significant difference in the project/programs they support within Harvey County, Kansas.

Throughout the past fourteen years, members of this "giving circle" have combined funds granting nearly \$240,000 to altruistic causes such as the Agape Resource Center, HOPE Home Repair, Inc., the Harvey County Safe House, Harvey County Homeless Shelter and Newton Meals on Wheels.

Currently, there are five donation levels available allowing a diverse pool of local women the ability to impact the project/programs we support in Newton and Harvey County. The 2015 cycle is closed; however donations received now will be included in the 2016 giving process.

Membership

- **Premier Membership.** Donation level of \$1,000 or more, includes attendance and recognition at the annual membership meeting, voting rights and the opportunity to participate on a committee. The only level of membership eligible for a symbolic gift*.
- **Full Membership.** Donation level of \$525 – \$999, includes attendance at the annual membership meeting, voting rights, and an opportunity to participate on a committee.
- **Junior Membership.** Donation level of \$300, for those 40 years old or younger, includes attendance at the annual membership meeting, voting rights and the opportunity to participate on a committee.
- **Contributing Membership.** For those interested in donating through the WCF giving circle at any desired donation amount.
- **In Memory Membership.** Family members and/or friends may elect to continue a WCF membership each year for any current or former WCF member who has passed.

The Women's Community Fund is growing! Since 2013, the Premier Membership donation level was introduced plus three endowment funds have been created for the benefit of the WCF to allow our members philanthropic efforts to continue in perpetuity.
