GENERAL STATEMENT OF POLICY

The intent of this policy for Central Kansas Community Foundation is to provide a safe, harmonious, rewarding, and productive work environment while at the same time providing the furtherance of the Foundation's philanthropic efforts, necessary office coverage, and compliance with all applicable laws and regulations.

I. EMPLOYMENT

1. Authority:

The Board of Directors of Central Kansas Community Foundation has established these personnel policies and approval shall replace any previously established personnel policies. These policies describe the benefits and personnel practices of the Central Kansas Community Foundation including positions hired for our affiliates. The policies and procedures set forth are not to be regarded as creating, between Central Kansas Community Foundation and its employees, a contract of employment, either expressed or implied.

Employment at Central Kansas Community Foundation may be terminated for any reason, with or without cause or notice, at any time by the Employee or the Organization. Nothing in these policies or any oral or written statement shall limit the right to terminate employment. No Hiring Authority or Employee of the Organization shall have any authority to enter into an employment agreement – express or implied—with the Employee providing for employment except for the CEO position. The Board of Directors has the authority to engage in an employee agreement concerning the CEO.

Final authority for these policies rests with the CKCF Board of Directors, which retains the right to amend, modify, or delete any policy or provision herein.

2. Non-Retaliation Statement

Central Kansas Community Foundation does not tolerate any form of retaliation against employees who avail themselves of rights protected by law. This procedure should not, however, be construed as preventing, limiting, or delaying Central Kansas Community Foundation from taking disciplinary action against an individual, up to and including termination, in circumstances where Central Kansas Community Foundation deems disciplinary action appropriate.

3. Types of Employees

To determine eligibility for benefits, employees will belong to one of the following employment categories.

Part-Time = Those employees who regularly work less than 30 hours per week

Full-Time = Those employees who regularly work 30 hours or more per week

4. Equal Employment Opportunity/Discrimination:

It is the policy of this organization that employment decisions shall be based on merit, qualifications, and competence. Except where required or permitted by law, employment practices shall not be influenced or affected by an applicant's or employee's race, disability, religion, sex, national origin, age, sexual orientation, or any other characteristic protected by law. In addition, it is the employer's policy to provide an environment that is free of unlawful harassment of any kind, including that which is sexual, age-related, or ethnic. This policy governs all aspects of employment, promotion, assignment, discharge, and other terms and conditions of employment. Central Kansas Community Foundation recognizes the cultural diversity of our community and will actively recruit staff to benefit from diverse physical capabilities, ethnicities, creeds, and cultural backgrounds.

It is the policy of the Central Kansas Community Foundation to adhere to the provisions of the Immigration Reform and Control Act (IRCA) and to have employment applicants and the organization complete the appropriate sections of Form I-9. Employers must verify the identity and employment authorization of all employees within three days of hire. All offers of hire and continued employment are conditioned upon furnishing satisfactory proof of identity and employment eligibility as required by the law. Falsification of an I-9 form or the submission of falsified documents will result in immediate termination. Form I-9 will be retained for three years following the hiring date or one year following the termination of employment, whichever is longer.

With all considerations of the above taken into account, it is the general practice of CKCF to post all open positions publicly, however, internal announcements of open positions for the opportunity to hire from within will be made available for most positions and in leadership positions private search mechanisms as well as public may be utilized.

5. Nepotism

Central Kansas Community Foundation recognizes the importance of maintaining a safe workplace with Employees who are honest, trustworthy, qualified, reliable, and nonviolent. To further the purpose of these concerns and interests, the Organization reserves the right to conduct background or reference checks for employees to ensure they meet the business needs of the Organization. This process can include verification of employment, education, criminal records, or any other reference or record permitted by law that is deemed necessary. Failure to reveal any prior employment or giving false or misleading information will be grounds for job action up to and including termination, rejection for a position, or elimination from consideration for a position. 7. *ATTENDANCE/TARDINESS*

All employees of CKCF must be present and on time for all scheduled shifts and meetings. If an employee is going to be late, they should contact their supervisor and report when they will be poised for work, regardless of if working remotely or in the office.

If an employee is going to be absent from work during their scheduled work hours, the supervisor and CEO should be informed in advance. Excessive tardiness or absenteeism during scheduled working hours as well as a pattern of partial day absences will be reviewed with the employee by the supervisor or CEO and will be taken into account when considering

such matters as compensation, promotion, and continued employment. Repeated tardiness or unexcused absences may be the basis for job action, up to and including termination.

8. Resignation/Re-employment:

Resignations from Central Kansas Community Foundation should be given with as much notice as possible, with a typical 30-day notice for director-level positions and two (2) weeks for most other positions. Resignation should be to the immediate supervisor, in writing, specifying the last day of work unless otherwise noted in a letter of employment.

Circumstances may exist where Central Kansas Community Foundation will exercise its right to immediately accept a member's resignation and to accelerate the final date of employment. The Organization reserves its right to accept a resignation and recognize an employee's termination date as any date it chooses between the date the resignation is submitted and the date designated by the employee as the last day of employment.

9. Reductions in Force:

While Central Kansas Community Foundation hopes to continue growing and providing employment opportunities, business conditions, client demand, and other factors are unpredictable. Changes or downturns in any of these or other areas could create a need to restructure or reduce the number of people employed. In light of these uncertainties, please be advised that it may become necessary to conduct layoffs at some point in the future.

If the Organization determines to lay off any employee or some employees, the organization retains full discretion to select which employee(s) will be laid off. While the employers retain full discretion, some of the relevant factors might include the Foundation's operational requirement and the skill, productivity level, ability, and past performance of those involved.

10. Conflict of Interest:

No staff member shall derive any personal profit or gain, directly or indirectly, because of his or her participation with Central Kansas Community Foundation from clients or through clients. Any staff member of Central Kansas Community Foundation shall refrain from accepting gifts of significant value and/or obtaining any list of clients for personal or private solicitation purposes at any time during the term of their affiliation. Employees shall certify that the time noted is true and correct. Said time sheets shall be submitted to the payroll officer by email promptly with the inclusion of the supervisor on the submission for timeliness.

Any employee under 30 hours per week shall complete an hourly timesheet and be compensated as an hourly employee, not salaried.

The performance evaluation will be completed by the direct supervisor and reviewed by the CEO. Affiliate staff are employees of CKCF, however, the local affiliate board shall complete the annual performance review with participation from the CKCF Associate Director. A final copy shall be kept in the employee personnel file.

At each annual review, employees may be eligible for a merit increase. Merit increases are not automatic but must be earned by performing one's job satisfactorily as evaluated by the employee's supervisor. The CEO must approve all merit increases, including those for affiliate staff following recommendations from the local board.

The Board will review compensation adjustments for the CEO as they determine.
